Golf Australia National
Awards of Excellence

Dear Club & Venue Administrators,

Golf Australia is excited to invite clubs and venues across Tasmania and the Northern Territory to submit nominations for the 2026 Golf Australia National Awards of Excellence.

Launched in 2025, the Awards celebrate the people, places and programs helping grow the game and inspiring more people to play more golf.

In states with aligned State Industry Awards programs, finalists automatically progress to national award consideration. As Tasmania and the Northern Territory do not currently have aligned state awards programs, nominations are open directly to clubs, venues and individuals within these regions for selected categories.

If your club, venue, program, partner or volunteer is making a positive impact, we encourage you to nominate them to showcase the outstanding contributions happening across golf.

Open nomination categories for Tasmania and the Northern Territory include:

Most Outstanding Club, Facility or Place to Play

The purpose of this award is to recognise a golf club, facility, or place to play that has demonstrated exceptional quality, inclusivity, and innovation in providing an outstanding golfing experience.
