Subject: [Board] Tandara Donation

Today, I received a call from Matt Flakemore, the new CEO at Tandara Lodge. Thank you to whoever had the club phone and referred him to me.

Matt expressed his thanks for our \$2,000 donation and he said he would have attended if he had known. He is keen to come and say a thank you on behalf of Tandara in the near future. He will also advise how the money will be spent. I don't have an email address yet but his phone number is 0438 391 238.

I think he was caught unawares by our donation landing in the Tandara account- we need to communicate better in the future.

I was very impressed by his follow up and the thanks he showed. I came out of the call feeling more positive about Tandara.

Regards,
Stephen Hope
