Hi,

I head up Tee Screen in your region, we build outdoor-rated framed screens and indoor displays for golf clubs, paired with a portal that lets you push tee times, member notices, weather and sponsor content to every screen from one tablet.

We're well established with clubs across the UK and now taking enquiries from Australia and New Zealand, which is why I'm getting in touch.

Would a 10-minute call (or a short walkthrough video) be useful? Happy to send the video first if that's easier.

Cheers,

*PS – happy to talk through how shipping and install works down your way, it's the question I get first.*

Best wishes,

Mark Campbell
