FY26 Club & Venue Administrator Survey

Hi Neville,

We're inviting you to take part in the **FY26 Golf Australia Club & Venue Administrator Survey**, your opportunity to directly influence and improve the support, services and programs provided by Golf Australia. This survey is part of a schedule of surveys to be undertaken in 2026.

This survey isn't just a check-in; it's one of the most important ways we shape how we support clubs and venues across the country.

Your input helps us:

- **Advocate for your needs** with government and key stakeholders
- **Improve the services you rely on**, from governance and participation to grants and club and venue support
- **Deliver better tools, resources and insights** tailored to clubs and venues like yours
- **Benchmark your club and venue** against national trends and challenges

Your feedback drives real outcomes

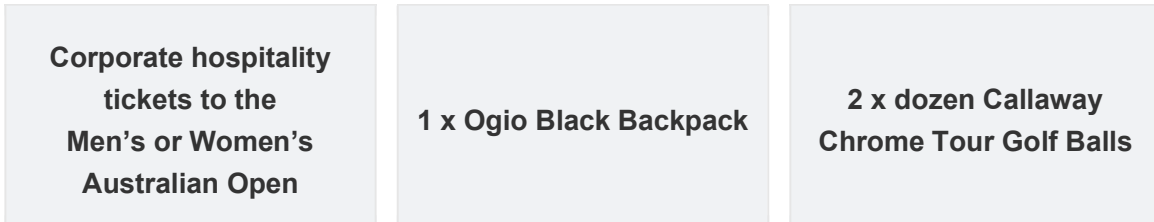

Last time we ran this survey, your feedback directly informed key initiatives and priorities. For example:

- Only 56% of clubs and venues reported having a strategic plan in place, which helped shape our expanded club governance and strategic planning support programs.
- 83% of clubs and venues don't have a dedicated learning & development budget – driving increased investment in education, training and volunteer support initiatives.

- 41% of clubs with a capital fund said it wasn't sufficient for future needs – strengthening our work in grant support and funding advocacy

Win while you contribute

As a thank you for your time, everyone who completes the survey will go into the draw to win one of three prizes:

* T&Cs Apply.

What's involved

The survey includes three short sections:

1. **Golf Australia Performance Review**
Your experience with our services, programs and communication
2. **State of Your Club or Venue**
Insights into financial health, membership, governance and workforce
3. **Future Priorities & Needs**
Your biggest challenges and where you need the most support

Important note:

This year, the survey has been sent to all contacts listed in Golf Australia CONNECT, with each administrator receiving their own unique survey link. It's important that everyone completes their survey individually, not just one person per club or venue, so we can capture the full picture across roles and responsibilities.

Time to complete

Approximately 8 - 10 minutes.

The survey will close on Wednesday, 20 May 2026, at 8 pm AEST.

Your responses are confidential

All responses will be aggregated, and no individual organisations or people will be identified. We'll share the key findings back with all clubs and venues.

Thank you in advance for your time and for the role you play in shaping the future of golf in Australia.

We look forward to hearing from you.
