Subject: RE: Good Sports Program Registration - welcome and RSA confirmation :)

Hi Stephen and the Sheffield GC team (and thanks Damon for the e-intro),

Alex from Good Sports here – I’ll be the Relationship Manager for your club – I was born and raised in Ulverstone 😊

Welcome to the Good Sports program and it’s awesome to see another golf club on the NW Coast signing up.

Happy to confirm those two free RSA training slots for Michael and Martin – I’ll be in touch with them about 10 days out from the event with more details.

Now that you’ve registered, the next step will be to have a look at the club questionnaire on the club portal – this one usually takes about 15 minutes to work through to begin with.

The questionnaire helps us understand what your club is already doing well and where we might be able to offer extra support. It is not a test, it simply helps us find the best way to support your club.

Like most clubs, you will probably answer “YES” to many of the questions. If you are not sure about a question, it’s okay to answer “NO”. These answers help us see where we can offer support, advice, and free resources. This includes online learning modules that anyone at your club can use.

As you make your way through the questions and action items, you’ll progress through the program towards Gold (full) accreditation.

The next step will be to send the Good Sports policy to yourself to e-sign, then your are GOLD!

Anecdotally, being fully accredited with us helps with grant applications, and will unlock a \$175 voucher to [our store](#), where you can grab some goodies for the club – such as aprons, ice pack and first aid kits

If you have any questions, want to chat about your club and plans for the rest of 2026, or would like help, please feel free to contact me on 0499 081 102, or reply to this email!

I look forward to working with your great club and keeping you across some upcoming opportunities in the NW – we regularly run free trainings and workshops for our clubs.

Cheers,
Alex

Morning Stephen,

To better understand the Good Sports Program and to register click here: [Become a Good Sports club - Good Sports](#)

There are plenty of benefits for your club that we can discuss over the coming weeks but let's get you registered first and get those spots secured at the Free RSA Training and then we can go from there.

Once you click that link you will be able to read a bit more about what we do, but in the top right hand corner you will see a "join now" button. Hit that and it will take you to our online portal and just follow the prompts from there. If you have any troubles just give me shout via email or my mobile which is 0408 387 355.

For the "what league" question... just type Tasmanian Golf Club.

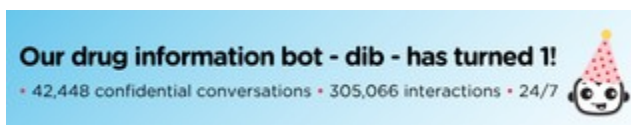

Talk soon,
Damon.
