

2026-2030 STRATEGY FOR GOLF IN AUSTRALIA

LAUNCH INVITATION

We warmly invite you and your family to join us for the Tasmanian launch of BIG SWINGS 2026–2030: The Next Evolution of Golf in Australia.

This is a landmark moment for our game. After an extensive consultation process involving more than 12,000 Australians, hundreds of industry professionals, volunteers, clubs and venues nationwide, we are proud to unveil a shared vision that will guide how golf evolves, grows and connects across Australia over the next five years and beyond.

This is an opportunity for all of us to come together, not just as an industry, but as one connected Tasmanian golf community, to celebrate where the game is today and commit to shaping where it goes next.

In the spirit of golf being a welcoming community for all, we hope you and members of your family will make an afternoon of it. We very much look forward to welcoming you.
